Happy New Year, Linda:

I received the report from you in a CD-ROM. Please send me one full duplicate in hard copy so I can do my review using the hard copy. I like to set a meeting after having a chance to review the report. This is my first week back after been off for almost two weeks.

Thank you for your courtesies. I hope that you also enjoyed a great holiday season.

Sincerely,  
Carmen

Hi Carmen,

Just following up on Pechiney and my previous email regarding the completion reports for the below grade work. As I mentioned in my previous email, we would be happy to meet with you at your office to go through all the results and sampling information. We are available most of January to meet, so please let us know what works best for you with respect to a meeting date/time.

Hope you had a wonderful holiday!

Happy New Year!

Thank you, Linda
